## PODCAST

---

### **Back of the Party with Megan by Zyrup Media**

available on Spotify, Apple Podcasts, Google Podcasts, YouTube

‘Back of the Party with Megan’ is an ode to the unlikely and electrifying conversations you have when you linger in unexpected places.

In each episode, hostess of the party (and the podcast), Megan Chia invites you to find a different way to look at the world. We’re taking everyday topics and understanding them through the lenses of politics, philosophy, the arts, and yes, even her own (probably embarrassing) secret stories.

The podcast debuted at #22 on the local Spotify charts and #34 on Apple Podcast’s local society and culture charts.
